Goal!

Today we take the field	
Today's the day we soar!	
We'll never stop! Never yield!	
Score!	
We know it sounds absurd,	
It's just a single word.	
The number one, sweetest word	
That we ever heard!	
Spoken: Goal	! (x4)
We'll all support the team!	
We'll strive to win the day!	
Let's give a cheer, let them hear	
H'rray!	
We'll let our spirits fly!	
And no one will deny	
We love to shout, call it out,	
It's the soccer cry!	
(Spoken) Goal	! (x4)
Some call it football;	
Some call it soccer.	
Spoken Pt 1: Football!	Football!
Spoken Pt 2: Soccer!	Soccer!
Spoken (All): Who cares? Let's Play!	
We'll all support the team!	
We'll strive to win the day!	
Let's give a cheer, let them hear	
H'rray!	
We'll let our spirits fly!	
And no one will deny	
We love to shout, call it out,	
It's the soccer cry!	

(Spoken) Goal	! (x5)
Awesome	
When they call my name,	
I'm gonna take the field	
I'm gonna get in the game,	
An' it'll be awesome!	
Playin' with my friends	
That feeling can't be beat!	
The score? Well, that all depends	
But it'll be awesome!	
When we work together,	
None of us are the same	
Bring on any kind o' weather,	
Ya gotta love this beautiful game!	
Side by side we go	
With hearts that beat as one	
We'll be in the stars of our show	
Our dreams'll come true!	
And whatever the score	
We're ready to open_ up that door	
And together	
We'll be pretty awesome too!	
When we work together,	
None of us are the same	
Bring on any kind o' weather,	
Ya gotta love this beautiful game!	
Side by side we go	
With hearts that beat as one	
We'll be in the stars of our show	
Our dreams'll come true!	
And whatever the score	
We're ready to open_ up that door	
And together	

We'll be pretty awesome too!

It's Not if You Win
It's not if you win, but how you win it.
It's always a win, as long as your heart is in it.
We play by the rules It's only a game
It's not about glory, or money or fame
It's not if you win, but how you win it.
The game is the same, no matter which way you spin it.
If you do your best you'll have your day in the sun
Even if you're last, you 'll still be our number one!
The score on the board is not the reward
If you do your best, just forget the rest,
You're a champion!
You're a champion!
It's not if you win, but how you win it.
The game is the same, no matter which way you spin it.
If you do your best you'll have your day in the sun
Even if you're last, you 'll still be our number one!
In an all-star cast you'll still be our num ber one !
(Spoken) One!
